Job Opportunity Registered Massage Therapist

Serenity Massage Therapy Clinic is located in the newly developed region of Kildonan Green in Transcona. We have been serving the area since 2008 and have a very loyal and established clientele that continues to grow very rapidly.

There is a room rental opportunity available with a flexible start date, as early as July, 2017. The available position is in prime hours with a full clientele in need of care during a current RMT's maternity leave. The position will be a one year, full time term with the opportunity to stay on in a room-share arrangement once the one year term is over.

Our clinic is proud to give our therapists the freedoms of self-employment within the security of an established practice. We provide training and guidance to ease your transition into the great business of working for yourself, while still having reliable co-workers for support and teamwork. On-site laundry is available for your convenience.

We are looking for a self-motivated, compassionate, reliable team-player who is excited to work in this rewarding career in a flexible, fun work environment.
