

Radiance Massage Therapy is looking for a massage therapist to join our clinic. Space available mid September. We are an established clinic which has been in business for 18 years. We are located in Old St.Vital at 547 St.Mary's Road.

Are you established or just starting out and paying too much or just need a change? Reasonable room rental rate that includes use of on-site laundry, main computer system, fax machines, etc. There is also an option of sharing the space which can also reduce your rental rate. Great location, great therapists, great clientele. Contact Darya for more details at 204-290-4231 or email me at daryamp@yahoo.ca

Thank You
